*Sierra*  
F L O O R I N G

The logo for Sierra Flooring is centered on a background image of a mountain range. The word "Sierra" is written in a large, elegant, brown script font. Above the letters "i" and "e" in "Sierra", there is a stylized green mountain range icon. Below "Sierra", the word "FLOORING" is written in a smaller, brown, uppercase, sans-serif font. The background image shows a majestic mountain range with snow-capped peaks and evergreen trees in the foreground, under a clear sky.
